# 3 WAYS TO PAY FOR MEALS

## PRE-PAYMENTS ONLINE

We are excited to offer EZSchoolPay.com, a service that offers you the convenience and information needed to manage your student's meal account. This system eliminates the need to send checks/cash to school or worry about lost or forgotten lunch money, and speeds up serving lines in the cafeteria. At no cost, EZSchoolPay allows any family to: create a free, secure account to manage their student's account, check student's current meal account balance, view student's purchasing history, create settings to receive e-mail notifications when the account reaches a low balance.

For a convenience fee of \$2.75, EZSchoolPay allows families to make a prepayment into their student's meal account using a credit card at EZSchoolPay.com. Payments can be made to one or more student account with one convenience fee. Funds deposited through EZSchoolPay are usually available for student use within an hour. Busy parents can also check account balances, review purchase history and make payments right from their iPad, iPhone or Android device. The app is available in the Apple App Store and the Google Play Store.
